

BOOST CLIENT COMPLIANCE

GIVE PET OWNERS THE CONFIDENCE TO MANAGE THEIR PET'S HEALTH.

Our Pet Med Reminder app is designed to increase your compliance rates by giving pet owners a resource they'll have at their fingertips.

- Increases clinic efficiency and pet owner satisfaction
- Videos for easy product usage
- Promotes client retention in the clinics
- Makes curbside consultations easier

INTRODUCING Pet Med REMINDER

The **Pet Med Reminder** app pairs exclusively with the Phoenix-brand Derm and Otic products Derma-Vet, Betagen and Tri-Otic.

-  **HOW-TO-APPLY VIDEOS**
Pet owners can watch our step-by-step in-app videos to learn how to accurately apply medication to their pet.
-  **SCHEDULE REMINDERS**
Compliance with medication ensures the effectiveness of treatment. Clients can schedule reminders to make sure they never miss a dose.
-  **TRACK PROGRESS**
Track the treatment progress by checking the progress bar on the pet's profile page. Plus, take photos of the pet's progress and share the photos during a follow-up visit.
